

Indian River Marina Art and Seafood Festival | 2012

The Indian River Marina Art and Seafood Festival is an annual event that began in 2009. The event was created to attract visitors to the Indian River Marina, and to spotlight the local Artist Community, and let visitors sample the many seafood dishes available. The Festival also creates a fun family atmosphere with games, entertainment and music for everyone! In 2011 the Art and Seafood Festival attracted over 600 visitors to the Marina. The 2012 event will be held on Saturday, July 28th from 10:00 – 6:00, the cost of a booth is \$25.00, which will need to be paid with a check.

We anticipate another successful and fun festival focusing on a nautical/wildlife theme. With this in mind we do request that our participating artists bring wares that focus on the Nautical/Wildlife theme. We are looking for Unique, quality items not generally seen in retail stores or other similar outlets.

The application deadline for the 2012 event is **June 30, 2012**. All applications must be accompanied by full payment. The Indian River Marina reserves the right to accept or reject any and all applications.

Please mail the application with payment in full to:
